ACADEMIC POSITIONS

Jul 2020 - Present	**Associate Professor** **Distinguished Research Fellow of Digital Technology** (July 2018-Present) Smith School of Business, Queen's University Kingston, Canada
Jul 2016 – Jun 2020	**Assistant Professor** Smith School of Business, Queen's University Kingston, Canada
Sep 2011 - Jul 2016	**Assistant Professor of Management, Information Systems Track** IESEG School of Management, Department of Management Lille, France
2017 - Present	**Visiting Professor** IESEG School of Management, France
2012 - 2019	**Visiting Professor** Nile University, Egypt

EDUCATION

2013   **PhD in Management**

Desautels Faculty of Management, McGill University, Montreal, Quebec
Specialization Field: Information Systems

- Dissertation Title: *Examining the impacts of information technology interruptions on individual and group performance: Does interruption type matter?*
- Dissertation Advisor: Dr. Alain Pinsonneault

2004   **Master of Business Administration (MBA)**

John Molson School of Business, Concordia University, Montreal, Quebec

- Earned a graduate fellowship award

1997   **Bachelor of Science, Mechanical Engineering (Minor in Psychology)**

American University of Cairo, Cairo, Egypt

- Double specialization in Industrial Engineering and Design Engineering
- Projects included designing automotive suspension systems with a focus on static and dynamic loading applied on suspension springs, and using vibration analysis to determine different load conditions

- Thesis Title: *Analysis and design for an automotive CNG engine*

RESEARCH INTERESTS

- Information technology (IT) impacts on individuals and groups; the dark side of IS (technology interruptions, problematic use); human interactions with AI/ intelligent agents; health care information technology (HIT)
